LETTER OF RECOMMENDATION

Mr Het Patel has worked as a researcher at MSDPD/MSDG/MRSA/SAC-ISRO, Ahmedabad for 9 Months from 4th May 2023 to 3rd January 2024. His dedication and hard work have been nothing short of exemplary, and I cannot thank his enough for his contributions.

His skills are truly outstanding, and his attention to detail has been evident throughout this project. I have been impressed with the level of precision and thoroughness that he has demonstrated, and he has invested a great deal of time and effort into this work. He has been quite observant, polite and has excellent communication skills.

What is particularly impressive is the way in which he has approached his project with such enthusiasm and passion. He demonstrated exceptional intellectual curiosity and showed an eagerness to learn and explore new ideas. His positive attitude met all his project milestones in a timely and efficient manner. Moreover, Het is a very quick and enthusiastic learner. He has a very good understanding of his subjects and is proficient in C++, Qt, And Embedded Software Development programming skills, along with fluency in both written and spoken English.

As a researcher, Mr. Het Patel showed his technical acumen and commendable analytical skills. He undertook a significant project for "Design and Development of Application Software of Indigenous Solid State Recorder (SSR)" and "Software Development of Cabin Display System" under the guidance of Shri Abhishek Kunal, Sci /Engr-SG, MSDPD-MSDG-MRSA, SAC-ISRO and Shri Vikas Singh, Sci /Engr-SD, MSDPD-MSDG-MRSA, SAC-ISRO.

I also want to acknowledge his sincere collaboration with his mentors and project head. He has been a true team player, always willing to help and support others, and his positive attitude has been infectious. His professionalism and dedication have been a great inspiration.

Finally, I would like to express my sincere gratitude to Het for his hard work and his commitment to this project. I truly wish you all the best in all your future endeavours.

Sincerely,

रितेश कुमार शर्मा 02/01/2024
